****

O R D E R

In the reference 1st read above, permission was accorded for supply of 32,00,000 litres of water per day which works out approximately 1.6 cusecs of discharge either from flood flow canal of GNSS or from SRBC to M/s Sree Jayajothi Cements Ltd., subject to concurrence from District Collector, Kurnool and AP Pollution Control Board for an initial period of (5) five years and also subject to payment of water charges as per G.O.Ms.No.39, I&CAD Dept, dt: 2.4.2002 on usual terms and conditions and with out detrimental to drinking water and Lift Irrigation requirements etc.

2. In the reference 2nd read above, orders were issued renewing the permission for drawl of 32,00,000 Liters waters per day during the flood days from GNSS/ SRBC flood flow canals (approximately for 90 flood days) to M/s Sree Jayajothi Cements Ltd., for a further period of 5 years from 22.01.2013. The water drawl shall take place during July to December in a year, subject to condition that the charges shall be paid as per G.O.Ms.No.39, I&CAD (PW: Qc & IWS/ COD) Dept, dt: 2.4.2002 and any revision in the charges shall be paid by the firm.

3. *In the reference 4td read above,* read with the reference 3rd read above the Engineer-in-Chief (Irrigation), Andhra Pradesh, Hyderabad was authorised to issue all renewal permissions pertaining to Industrial water Supply within 10% of reserved water for industrial purpose.

4. In the reference 5th read above, the Director, M/s Sree Jayajothi Cements Pvt. Ltd has informed that, under the plan Ease of Doing Business (EoDB), they have

(PTO)

submitted a representation to the Commissioner of Industries, Government of Andhra Pradesh for issuing renewal orders extending the permission for drawal of water for their cement plant for a further period of 5 years w.e.f.23.01.2018 and requested to forward the recommendations of the Superintendent Engineer for issue of necessary orders by the Govt of AP., as their permission will expire on 22.01.2018.

5. In the reference 6th read above, while forwarding the representation 5th read above, the ENC (I) was requested to take further necessary action in the matter to renew the permission for drawl of water as per the instructions issued in the Memo 4th read above.

6. In the reference 7th read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada inter-alia has reported that Government have issued instructions in Govt.Memo. No. 67250 / Reforms/A2/2015-1, W.R.Dept., dt:09.02.2016 delegating powers to issue Renewal water drawl permission within 10% of reserved water for industrial purpose. But the Government order did not mention about allocation of water in canals.

7. Therefore, the Engineer-in-Chief(Irrigation), Water Resources Department has requested the Government to issue necessary orders according renewal permission to M/s Sree Jayajothi Cements Pvt. Ltd., Kurnool District to draw 3200 KLD from flood flow canal of GNSS or from SRBC for further period of 5 years w.e.f 23.01.2018 with the terms & Conditions specified in G.O.Ms.No.11, I&CAD(PW:Reforms) Dept, dt: 2.01.2008 and also payment of water charges @ 5.50/- per1000 gallons.

8. Government after careful examination of the matter hereby accord Permission to M/s Sree Jayajothi Cements Pvt. Ltd., Yanakandla (V), Banaganapalli (M), Kurnool District for drawal of water 32,00,000 Litres(3200 KLD) per day from flood flow canal of GNSS or from SRBC for further period of (5) years w.e.f 23.01.2018 with the terms & Conditions specified in G.O. 1st read above and also payment of water charges @ Rs 5.50/- per 1000 gallons.

9. The Engineer-in-Chief (Irrigation), Water Resources Department, Andhra Pradesh, Vijayawada and the Collector & District Magistrate of Kurnool district shall take necessary action in the matter, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
